Dear [Redacted]

Thank you for your further letter dated 18 May from Messrs Bivona and Taricco, the contents of which I have shared with our senior independent director, Amanda Blanc, as requested.

In response, I refer you to our letter of 7 May, a further copy of which is attached to this email. As stated in that letter, Amanda Blanc is aware of the existing exchanges with Bluebell and the responses already provided to you. As previously advised, she has confirmed that she has nothing further to add on these matters.

Thank you again for your correspondence.

Kind regards,

Ben J. S. Mathews
